1:00 pm today works for me, too. I will call you.

Hi Karen,

Thanks for the message. I think 1:00 will work better today. I'll also be at the State Board tomorrow for the workshops meeting but it might be better if we spoke before that.

Hi Erin,

I have a couple of meetings tomorrow (5/31), but I could give you a call around 11 am or 1 pm. What would work best for you?

Karen

Hi Karen,

I spoke with Diane Riddle last week about EPA coordination with the State Board on the Phase II update of the Delta WQCP. It would be great to talk with you as a follow-up. Just now I tried calling but the voicemail seems to not be working. I'll try you again later today or tomorrow. Or you can try me here at 930-3722.

Thanks,

Erin
